

BONALDO

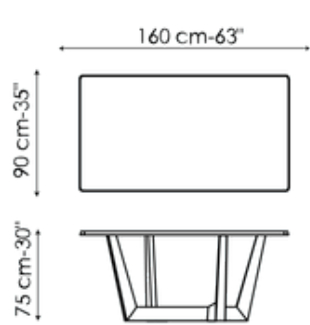

Art, Art Wood

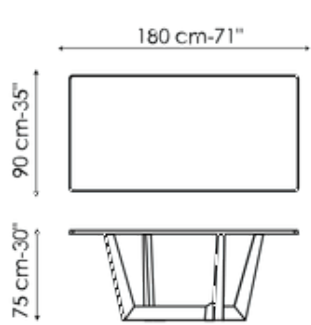

La base del tavolo Art è l'elemento che lo identifica: un trapezio in metallo che si sviluppa diagonalmente rispetto al piano, che ottimizza gli spazi e li rende più ampi. Una struttura portante, che così progettata si contraddistingue per l'elevato dinamismo, la solidità e l'impatto scultoreo. Il piano vi si poggia saldamente, ma l'effetto finale è di grande leggerezza. La base di Art è in metallo verniciato in numerose varianti cromatiche; il piano, fisso (rettangolare, rotondo o a botte) oppure allungabile, è proposto in diversi materiali: una versatilità che lo rende ugualmente adatto alla sala da pranzo o allo studio. Art prende nuova vita nella sua versione con base in legno ("Art Wood").
