

BONALDO

Cop

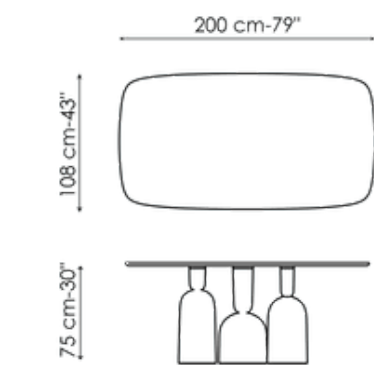

Designer: Roberto Paoli

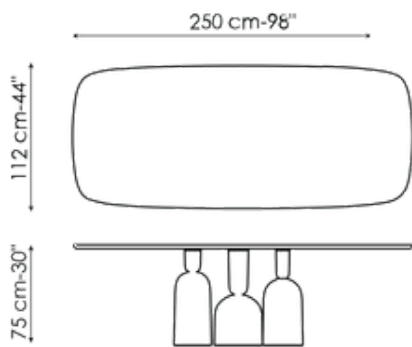

Cop è un tavolo moderno: il piano d'appoggio è come uno specchio d'acqua, dove questi stessi oggetti vengono capovolti e ne costituiscono l'inedita base. Elementi stilizzati ispirati a bottiglie, calici preziosi e coppe di champagne, di forme diverse e immediatamente riconoscibili pur nella loro posizione inusuale. Il top è l'elemento neutro ma al tempo stesso la linea di demarcazione di un mondo che si riflette. Linee plastiche e un'attenta ricerca formale per un tavolo destinato a unire le persone e le idee. La base di Cop è in metallo mentre il piano, fisso, è proposto in legno, ceramica o marmo, e può essere a botte oppure rotondo.
