BONALDO

Innesti

Designer: Paolo Grasselli

La base del tavolo tondo Innesti, disegnato da Paolo Grasselli per Bonaldo, sembra distaccata dalla parte superiore del complemento, come se il piano fosse sospeso nell'aria. Un tavolo di design dove le due parti si svelano in un grande effetto scultoreo. Un elemento che diventa protagonista della zona living ma che riesce al contempo a dialogare con l'ambiente circostante, grazie anche alle possibilità di personalizzazione dei dettagli, con marmi, legni e ceramiche differenti per il piano e diversi tipi di metalli per la base.
