BONALDO

Torii

Designer: Marconato e Zappa

Ispirato all'architettura dei tradizionali templi shintoisti giapponesi, da cui prende il nome, “Torii” è un tavolo che si distingue per la stabilità della base, composta da due elementi metallici leggermente inclinati. Il disegno elegante è completato dal rigoroso piano, proposto nelle varianti legno, ceramica o marmo. Le qualità formali del progetto firmato da Marconato & Zappa emergono con forza nella versione con la stessa finitura, disponibile per il piano e per gli inserti decorativi delle gambe.
